Dear Principal Thole,

I am writing to you in regards to the Calvert House Tutoring Program, a free tutoring service provided by University of Chicago students and hosted by the Calvert House—the Catholic Center at the University. Each year we invite local schools to participate by referring students and families who may benefit from quality academic assistance provided by dedicated and talented University of Chicago students.

Our student leaders work hard to pair each student with a tutor who can meet their needs and offer an informal mentorship to the student. Our tutors have a breadth of expertise and have assisted 1<sup>st</sup> graders with reading, high school students preparing ACT, AP students in Chemistry, and everything in between. Because of the strong relationships developed, frequently students and tutors not only return to the program for the following year, but also choose to partner with one another again. Calvert House Tutoring offers three sessions, from **4:30 to 6 p.m. on Tuesdays and Thursdays and on Saturdays from 10 to 11:30 a.m.**

Attached to this email, please find an electronic copy of our student application packet, which we invite you to distribute electronically to students and families who would be eager to participate in this program. The application packet consists of an application form, a medical treatment release form, and a release form for media recording. When distributing these applications, please note that all completed applications must be **scanned and emailed to [calverthousetutoring1@gmail.com](mailto:calverthousetutoring1@gmail.com) by the application due date of Sunday, September 23, 2017.** The program will begin in early October once students at the University of Chicago have begun their fall term. Accepted students will be notified the week beforehand.

If you or students and families have any further questions, please contact co-Presidents by email at [calverthousetutoring1@gmail.com](mailto:calverthousetutoring1@gmail.com), or Pablo Lopez Trujillo at 850-345-4236. Thank you and we look forward to being able to serve some of your students.

Kind regards,

Pablo Lopez Trujillo & Adelaide Duckett  
Co-Presidents of Calvert House Tutoring
