

Exploring the Unexplored through

2019 EXHIBITION OF STUDENT  
STEM RESEARCH

## STEM EXHIBITION CENTRAL

FALL, 2018 WORKSHOP Dates

### CHICAGO STATE UNIVERSITY (CSU)

9501 S. King Drive, Chicago, Williams Science Center, Rooms 106 & 108

### NORTHEASTERN ILLINOIS UNIVERSITY (NEIU)

5500 N. St. Louis Avenue, Chicago, BBH-102

+++++

Saturday, September 29, 2018 at CSU  
Saturday, September 29, 2018 at NEIU

+++++

All workshops are from 9 AM until 12 PM

**ALL WORKSHOPS ARE FOR HIGH SCHOOL STUDENTS, MIDDLE/ELEMENTARY SCHOOL STUDENTS, AS WELL AS TEACHERS AND PARENTS**

The format for the workshops will include a video, "How to Prepare a Science Fair Project"; Actual Demonstration of a Project; CPS STEM Exhibition Information, Protocols; and Students discussing their actual STEM Exhibition Research. University science and mathematics faculty and staff will be present to answer individual questions as time allows, and information is available on preparing STEM projects, resources, and ideas.

Ample on-street parking is available at NEIU (most of 'Zone 1' only applies M-F) – we recommend that you do NOT park on campus. OR, take the Brown Line to the end (Kimball) and then take the #82/Kimball bus one mile north to Catalpa -- campus is 3 blocks west.

Parking at CSU costs \$5 and is available in a lot directly south of the science building. (Free parking is available on the street adjacent to the CSU.) You may also take the Red line (or a bus) to the end (95<sup>th</sup> St.), and take the #95E or #115 bus east to campus.

For further information please contact: Dr. Huseyin Colak, [h-colak@neiu.edu](mailto:h-colak@neiu.edu) (for NEIU); Prof. Archie Peters, [jpeter24@csu.edu](mailto:jpeter24@csu.edu) or <http://www.csu.edu/cas/chemistryphysicsengineering/sfcsouth.htm> (for CSU).

**No Reservations Needed** (but please let us know if you are bringing your whole class!)
